NEW TISA STRUCTURE

# Decision and advisory groups

- TISA Board is the main governing body and is informed of TISA strategic direction, progress against manifesto and effectiveness of regulatory and technical work. Board has an opportunity to challenge, comment and provide advice and direction.
- TSC is the member committee that provides the strategic direction for TISA's work. Committee inputs into TISA strategic direction and is informed of progress against manifesto and effectiveness of regulatory and technical work. New groups and closed groups are reviewed by this group with an opportunity to challenge and provide direction.
- The consumer panel is an advisory group comprised of representatives from consumer bodies and third sector. The role of this group is to inform TISA of the challenges and themes impact UK consumers of financial services.
- The Consumer Committee is an advisory group comprised of TISA members. The role of this group is to inform TISA of the challenges and themes for the financial services industry that impact the wellbeing of UK consumers. The chair of this committee will be on TSC.
- The SME Committee is an advisory group comprised of TISA bronze/silver/gold members. Since these members are currently eligible for membership of TSC, issues and themes impacting SME will be discussed in this group. The chair of this committee will be on TSC.
- The chairs forum is to share and keep abreast of all TISA work to enable identification of intersections and provide review and input on holistic consultations impacting all groups.
