Volunteer Opportunity: Deliver Financial Education at DWP Youth Hubs

Make a meaningful impact on young people's financial futures

TISA is inviting members and their employees to volunteer their time and expertise to support young people through financial education sessions at Department for Work and Pensions (DWP) Youth Hubs.

TISA will provide the training materials, which cover the following topics:

1. **Mind over money**	5. **Breaking the chains**
2. **Payday principles**	6. **Investing essentials**
3. **Savy spending**	7. **Smart living**
4. **Credit clarity**	8. **Golden years ahead**

This is a unique opportunity to share your knowledge, build confidence among young people, and contribute to improving financial capability in local communities.
